"JIFFY" LINX RATCHETING HANDLE with QUICK CHANGE ADAPTER

BARCODE
#08041

- Quick change adapter for 1/4" Power Shank. Use with "Jiffy" chucks, bits etc.
- Ratcheting adjustment. Setting allows clockwise or counterclockwise rotation.
- Handle can be set from straight to 90 degree left or right.
- Square button recesses to allow handle to be set in 16 different positions.
- 90 degree handle position develops more ergonomic torque, and allows for stubby 3-1/4" handle position.
- Cushion grip storage handle stores "Jiffy" chucks and bits to 2-3/4" Long
- Use with all "Jiffy" chucks, extensions, insert, and power bits, as well as all "Jiffy" Power Shank products.
