ADHESIVES AND SEALANTS

STICK-IT

- Water based
- Environmentally friendly
- High solids content
- Great adhesion

STICK-IT! is an economical adhesive, suitable for use on insulation, foam, plastics, rubber, wood, paper, metal, cloth and more. Can be rolled, sprayed or brushed on.

ITEM #	MODEL	SIZE	CTN/QTY
705102	ST-1	1 gal	4

MODEL 25F — UL 181 B-M APPROVED

- Designed for optimum performance
- Won't drip or slide
- High solid content
- Made with premium raw materials
- Less shrinkage and no cracking
- Grey

25F is an economical, professional grade, water based duct sealant for use on all types of metal duct work, flex duct, and fiberglass duct board. 25F is non-flammable in both wet and dry states. 25F can be used indoors and out and on low to high velocity systems. Fibered.

ITEM #	MODEL	SIZE	CTN/QTY
705166	25F-1P*	1 gal	160/pallet

* Shipped loose/unboxed.

VAPCO BRUSHES

VAPCO Mastic BRUSHES are designed with natural bristles making cleanup easy. The low cost design gives you the option of cleanup or throwaway.

ADHESIVES AND SEALANTS (cont'd)

MEAN GREEN ADHESIVES

- Non-flammable
- Convenient
- DOT 39 NRC compliant
- Pressure sensitive
- Strong bond
- Instant tack
- Wide, web-like spray pattern
- Efficient packaging

MEAN GREEN is cost effective, versatile and easy to use. This high solids, pressure sensitive adhesive is specially formulated for quick tack and strong bonds which resist heat, cold, and moisture. MEAN GREEN's controlled, lace or web type spray pattern provides a low soak-in so more adhesive remains on the surface where it is needed. MEAN GREEN is conveniently packaged in cylinders and as an 18 oz. aerosol can.

MEAN GREEN IS THE ONLY CYLINDERIZED NON-FLAMMABLE, SOLVENT-BASED ADHESIVE IN THE HVAC INDUSTRY THAT MEETS ALL DOT 39 REGULATIONS AND HAS BEEN APPROVED BY THE CALIFORNIA E.P.A.

ITEM #	MODEL	SIZE	CTN/QTY	COVERAGE* SQ/FT

Accessories

ITEM #	MODEL	DESCRIPTION
C705200	THA-6	Teflon Hose Assembly – 6'
705112	THA-12	Teflon Hose Assembly – 12'
C705200	THA-18	Teflon Hose Assembly – 18'
705178	SPR-LG	Large Spray Gun for use with GW-SC & LC and MG-SC & LC
C705200	SPR-TIP	Fan Tip and Teflon Seal

NOTE: Maintaining your cylinderized adhesive system is easy. Always keep the valve on the cylinder open. This pressurizes the gun and hose so the adhesive will not harden inside. After each use, run the tip of the gun across a piece of cardboard, or wipe off with solvent and rag. Vapco's Degreaser (SDS-1 and SDS-SC) works excellently for easy cleanup of adhesives!

MEAN GREEN BULK

- Non-flammable
- Strong bond
- Pressure sensitive
- Instant tack

MEAN GREEN BULK can be used with an existing spraying system, or can be brushed or rolled on. The same fast tack and strong bond as our cylinderized and aerosol versions. MEAN GREEN BULK is non-flammable and has a low soak-in rate. This product is designed to resist heat, cold, and moisture.

C705200	MG-55	55 gal	—

ADHESIVES AND SEALANTS *(cont'd)*

MAGNA TACK

- Industrial grade
- Quick tack
- Available in red or black
- High solids
- Strong bond

MAGNA-TACK products are designed to deliver a quick tack and strong bond. These industrial, solvent based adhesives bond insulation, and other light weight materials to smooth non-porous surfaces. **FLAMMABLE.**

ITEM #	MODEL	COLOUR	SIZE	CTN/QTY
705138	MT-1	Black	14 oz	12

GREAT WHITE

- Water based
- Strong bond
- Non-flammable
- Meets all DOT 39 NRC regulations

GREAT WHITE ADHESIVE MEETS ALL DOT 39 NRC regulations. Because GREAT WHITE is applied as a dense foam, insulation can immediately be set in place. This foam produces enough wet strength to hold insulation in place until the adhesive dries, resulting in a permanent bond.

ITEM #	MODEL	SIZE
C705200	GW-SC	12 lb
C705200	GW-LC	40 lb

AEROSOLS

ELECTRICAL CONTACT CLEANER

A NON-FLAMMABLE cleaner that removes oil, grease, dirt and foreign material from precision mechanical and electrical instruments. Leaves no residue. Use on contact switches, printed circuits, motors, relays and more.

ITEM #	MODEL	SIZE	CTN/QTY
705124	CC-1	16 oz	12

FOAMING COOLING COIL CLEANER

- Non-acid
- Deodorizes
- Sprays from any angle
- Non-fuming
- USDA rated

Handy aerosol package allows easy application, even for hard to reach cooling coils. Dissolves dirt and grease so they can be easily washed away with condensate. NO RINSING needed. Cleans and deodorizes evaporator coils without oxidation problems. The heavy cleaning foam of FOAMING COOLING COIL CLEANER is pulled through the coil by the forced air. Restores efficiency and reduces energy costs. One 18 oz. can will clean most coils. USDA rated.

ITEM #	MODEL	SIZE	CTN/QTY
705130	FCC-1	18 oz	12

PENETRATING OIL

PENETRATING OIL frees parts frozen by rust, corrosion, gum, scale, paint, carbon, etc. Lubricates as it cleans and loosens. Can be used safely to free bolts, joints, couplings, pipe joints, and other parts. NON-FLAMMABLE.

ITEM #	MODEL	SIZE	CTN/QTY
705156	PO-1	16 oz	12

POLYURETHANE INSULATING FOAM

A one component, expanding, multipurpose polyurethane foam sealant. Insulates, seals, and stops drafts. NON-FLAMMABLE HCFC PROPELLANT.

ITEM #	MODEL	SIZE	CTN/QTY
705140	PFS-3X	12 oz	12

VAPCO CHEMICALS

www.questvapco.com

AEROSOLS (cont'd)

SPRAY BELT DRESSING

USDA rated. Use to stop squeaking and slipping belts on air compressors, power lawn mowers, garden tractors, furnace blowers, car fan belts, refrigerators, washers, dryers, water pumps, power tools, etc. Increase belt life and grip. May be used on belts made from rubber, leather, canvas, and fabrics. Works on wet or dry surfaces.

ITEM #	MODEL	SIZE	CTN/QTY
705158	SBD-1	12 oz	12

SPRAY DEGREASER

A fast acting quick drying, chlorinated hydrocarbon type solvent. Will not short motors or electrical equipment. High dielectric, non-explosive, non-flammable, non-corrosive, and dries clean. Pressurized can sprays solvent into hard to reach areas and instantly dissolves grease, grime, oils, waxes, gums, tars and is excellent for adhesive cleanup. Great for shops or on the job.

ITEM #	MODEL	SIZE	CTN/QTY
705162	SDS-1	18 oz	12

SPRAY FOAMINATOR

USDA rated. Alkaline based, heavy foaming condenser coil cleaner. Penetrates deeply into coils while creating a dense, heavy foam that pushes contaminants and oxides to the surface so they can be easily rinsed away.

ITEM #	MODEL	SIZE	CTN/QTY
705108	SFM-1	18 oz	12

WASP-A-WAY

A performance tested insecticide for controlling bees, wasps, hornets, and yellow jackets. The unique jet spray allows for a safe distance from the nest. Shoots a stream 15 to 20 feet. EPA registered.

ITEM #	MODEL	SIZE	CTN/QTY
705100	WAW-1	20 oz	12

THREAD CUTTING OIL

This transparent premium quality cutting oil is a carefully balanced blend of specialized additives including active sulphur, lubricity, and wetting agents, chlorine and highly refined base oil stocks. It is a versatile multipurpose heavy duty cutting oil which is especially effective for thread cutting, drilling, and tapping operations on most types of steel. Odor is mild and oil will not oxidize or become rancid in use.

ITEM #	MODEL	SIZE	CTN/QTY
705160	TCO-1	12 oz	12

COIL CLEANERS AND SOLVENTS

POWDER COIL CLEANERS

- Space saving
- One bag of powder per 1 gallon of water in sprayer
- No Hazmat fee when shipping
- Same cleaning power as liquid form

Briten™ Patent Pending

- Space saving package
- Condenser coil cleaners

An acid based coil cleaner that cleans and brightens with deep penetrating, foaming action. Especially effective on oxides, scale, and contaminants. Restores heat transfer capabilities, improves efficiency, and reduces power costs. Also recommended for electronic air filters.

ITEM #	MODEL	SIZE	CTN/QTY
705150	BRP-1	8 oz	8

Foaminator™P Patent Pending

- Premium alkaline based
- Cleans thick coils
- Reduced fuming

Premium alkaline based coil cleaner. Penetrates deeply into the thickest coils while creating a dense, heavy foam that pushes the contaminants and oxides to the surface, so they can be easily rinsed away.

Biodegradable and Phosphate free.

ITEM #	MODEL	SIZE	CTN/QTY
705148	FMP-1	8 oz	8

X Factor™ Patent Pending

- No rinse
- High performance
- Evaporator coil cleaner

Professional strength detergent, specially formulated to tackle tough tasks. Unlike old evaporator coil cleaners and electronic air filter cleaners, X Factor™ uses more than just a complex blend of detergents for its cleaning power. The power of X literally destroys odors and the bacteria that cause them. The X Factor™ actually converts unsaturated fats and grease into cleaning agents. Furthermore, X Factor™ is completely biodegradable, non-rinsing, and very safe to use.

X Factor™ may be applied full strength without damaging metals. For general purpose; spray, wipe, mop, or dip item to be cleaned.

Dissolves grease, oil, dirt, tar, lint, nicotine, etc. Use on electronic air filters, evaporator coils, ventilation, and exhaust systems, etc.

ITEM #	MODEL	SIZE	CTN/QTY
705152	XFP-1	8 oz	8

ACID BASED

Brite' Alum

- Heavy foaming
- Condenser coil cleaner

An acid based condenser coil cleaner that cleans and brightens with deep penetrating, heavy foaming action. Formulated especially to remove scale, oxides, and contaminants. Original heat transfer capabilities are restored, resulting in improved efficiency and reduced power costs. Coils are left with like-new appearance. Other recommended uses include electronic air filters. Rinsing required.

ITEM #	MODEL	SIZE	CTN/QTY
705164	BA-1	1 gal	4

COIL CLEANERS AND SOLVENTS (cont'd)

ALKALINE BASED

Foaminator™

- Premium alkaline based
- Cleans thick coils
- Reduced fuming and odorless
- USDA rated

THE UNIQUE premium alkaline based coil cleaner. Penetrates deeply into the thickest coils while creating a dense, heavy foam that pushes the contaminants and oxides to the surface, so they can be easily rinsed away. Foaminator dissolves and disperses grease like no other. Provides greater safety for service personnel during application. Reduced fuming and odorless. No burning sensation during application. Biodegradable and Phosphate Free.

ITEM #	MODEL	SIZE	CTN/QTY
705128	FM-1	1 gal	4

EVAPORATOR COIL CLEANERS

Power Clean

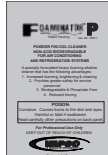

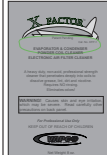

- Heavy duty detergent
- No rinse
- USDA rated

A heavy duty liquid detergent for evaporator coils, condenser coils, cooling towers, electronic air filters, motors, and their surfaces. Does a superior job on cooking greases. Quickly removes dirt, oil, wax, and heavy grime. Requires NO RINSING. 100% biodegradable and USDA rated.

705163	SDS-SC	15 lb Cylinder
C705200	SDS-LC	30 lb Cylinder

LEAK DETECTORS AND PYRO SUPPRESSORS

BIRD DOG LEAK DETECTORS

- Bubbles last up to 20 times longer
- Oxygen safe
- Super sensitive
- Locates even the smallest leaks

There's nothing like a good dog! A good dog does all the work so you don't have to. Tests prove that BIRD DOG's bubbles last up to 20 times longer than other leading brands. Scout out tough leaks with BIRD DOG. The best companion a leak hunter could have. BIRD DOG's advanced super sensitive formula finds leaks that the competition can't.

Also available in low temp. Designed to be used at temperatures as low as -20°F. Suitable for all types of refrigerant, nitrogen, and natural gas leaks.

Low Temp

ITEM #	MODEL	SIZE	CTN/QTY
705120	DOGLT-1Q	32 oz	12

COOL ZONE

A technologically advanced heat dissipating spray that achieves unsurpassed performance. Designed to prevent heat from damaging sensitive controls, fittings or materials while brazing, soldering, or welding. Flame retardant. Class A/B/D pyro suppressing agent.

ITEM #	MODEL	SIZE	CTN/QTY
705122	CZ-1Q	32 oz	12

LEAK DETECTORS AND PYRO SUPPRESSORS (cont'd)

COOL ZONE PLUS

A technologically advanced heat dissipating spray AND super sensitive leak detector. Designed to prevent heat from damaging sensitive controls, fittings, or materials while brazing, soldering, or welding. Flame retardant. Class A/B/D pyro suppressing agent. After soldering is complete, use the same solution to check for leaks.

ITEM #	MODEL	SIZE	CTN/QTY
705123	CZP-1Q	32 oz	12

LOW TEMP BUBBLES

Formulated to be used above or below 32°F. Will not harm metals, plastics, rubber, or other materials. Suitable for most refrigerants and other natural gas systems. Fluorescent dye in the solution increases visibility of bubbles.

ITEM #	MODEL	SIZE	CTN/QTY
705132	LDL-1/2P	8 oz	12
C705200	LDL-1QS	32 oz	12

SPECIALTY PRODUCTS

SCRUBS-IN-A-BUCKET

- Convenient
- Waterless
- Cleans tough grease and grime

A unique, patent-pending, waterless hand cleaning system, combining both a liquid hand cleaner and abrasive hand cleaning towel. Provides fast, easy, and effective hand cleaning with portability.

ITEM #	MODEL	DESCRIPTION	CTN/QTY
705142	SNB-1	Waterless Hand Cleaner	6 tubs

DUCT SEALANT REMOVER WIPES

DUCT SEALANT REMOVER WIPES contain powerful cleaners that quickly emulsifies all forms of duct sealant. Scrubbing action is built into the fabric to complement the effective formula. Biodegradable formula can be used on many surfaces including: sheet metal, concrete, equipment, hands, shoes, clothing, and stainless steel.
