

New! Sunnata touch dimmer with LED+ technology

Next generation in design and technology

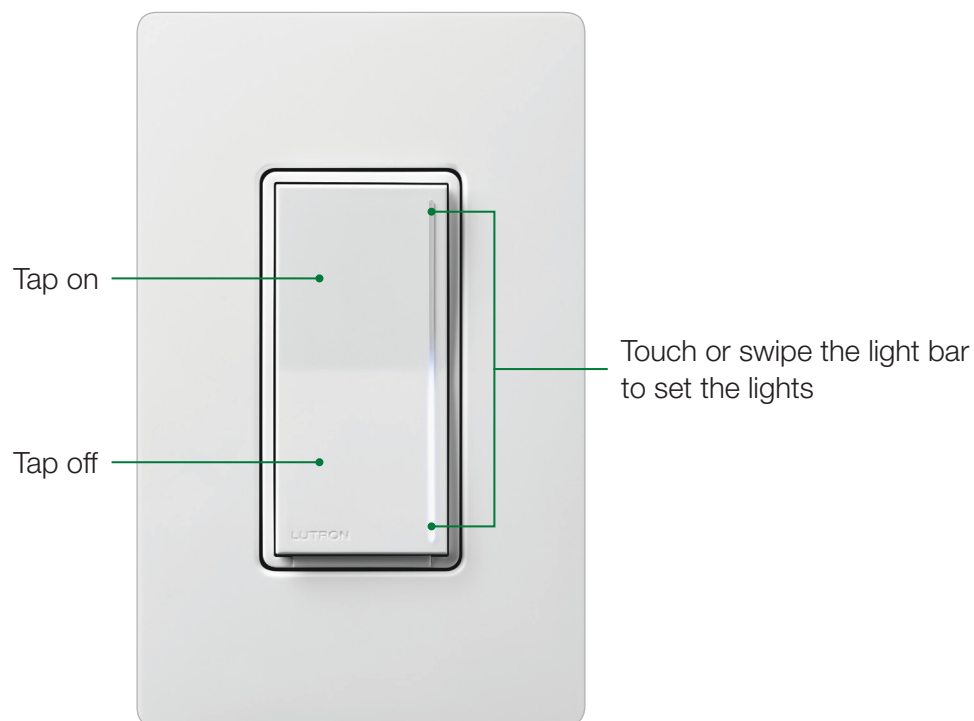

Key Benefits

- Touch or swipe the light bar to set your lights
- LED+ technology provides superior dimming of dimmable LED, incandescent, and halogen bulbs
- Works with existing wiring — and it doesn't require a neutral. Installation is easy — all you need is about 15 minutes from start to finish.
- The LED light bar provides a soft glow in the dark — making it easy to find the switch
- Sleek design complements any décor
