

# FALCON STAINLESS INC.

Where Quality Flows In Your Direction

Labilit

60

Falcon Stainless, Inc. has been an operating business in the State of California since 1981. Under the current family ownership and guidance of Gray Pender since 1990, incorporated in 1999, Falcon was responsible for introducing Corrugated Stainless Steel water and gas connectors to the US Market. Having made substantial improvements to the product and increasing the number of models since becoming President and then CEO, the company has experienced unprecedented growth over the past 30+ years. The reasons for this are: deep industry relationships, constant design improvements, state of the art manufacturing in our own facility and dedication. We have set Falcon on the high road to generating exceptional products and providing exceptional service for all of our customers.

Using only the highest quality raw materials, educated engineering staff, strict quality control have helped Falcon create more flexibility, increased flow and tensile strength in all Falcon products. All of this product advancement happens while expanding our client base in multiple market arenas. These market arenas include highly respected OEM's, Plumbing Wholesalers and Water Treatment Distributors, Water Treatment Dealers, as well as Contractors/Installers throughout all of North America, Europe, Australia and Asia.

Ever aware of our customer's needs, Falcon has become the "go-to" recognized leader in manufacturing proprietary connectors for the top water treatment and water heating companies in North America. By fulfilling our customer's specific technical requirements, Falcon steps up to fill the niche created by a highly sophisticated and demanding marketplace.

We are fortunate to occupy this distinguished position! We thank the industry for your support and loyalty. Our sole purpose is to provide the finest corrugated stainless steel water and gas connectors along with respectful exemplary customer focus and care.

## **Our Mission Statement**

As the premier manufacturer of full port corrugated stainless steel flexible water and gas connectors, our mission is to create added value while presenting superior products to every level of the Plumbing and Water Treatment supply chain. We strive to responsibly and ethically bring quality products to the marketplace through innovation, technology and human resources. Our number one asset is our ability to create well suited, unrivaled and proprietary connectors for use throughout the world. We expect excellence from every facet of our business and seek to partner with our distributors that hold themselves and the products they offer to the highest possible standards.

#### **SOLAR FITTINGS - BRASS**

All Solar tubes and fittings warrantied for 2 years. Insulation warrantied for 1 year from date of installation against Manufacturers defect. Manufacturer assumes no responsibility for damages due to improper installation or miss-use of product.

The nagging worry of eliminating system pressure has all but been eliminated.

Falcon Stainless E.T. potable water expansion tanks are designed to maintain safe pressure in domestic water systems that utilize a back flow preventer or check valve.

E.T. tanks feature a 100% butyl diaphragm and plastic liner to separate the system water from the tanks air precharge.

The system connection has a stainless steel sleeve to prevent corrosion making it even more reliable. And, the tanks are finished with appliance quality paint which helps prevent external corrosion. On top of all this every E.T. tank is comprehensively tested and backed by Falcon's 5 year limited warranty.

If this doesn't relieve all of the pressures that cause you to worry, nothing will.

## Materials of Construction

- Tank: 16 gauge cold rolled steel
- Finish: Appliance quality paint for indoor or outdoor installation
- Water chamber: 100% butyl rubber, lined with polypropylene
- Connection: Stainless Steel
- Testing: High pressure, seam weld, helium, final precharge check
- Air valve: Brass valve with o-ring seal
- Warranty: 5 year limited

**NOTE:** Ph Series tanks are certified to NSF Standard 61 Domestic Hot, but are suitable for temperatures up to  $200^{\circ}$  F.

#### Quick Sizing Chart

Water Heater	Maximum Water Temperature						
Volume	130° F	140° F	160° F	180° F			
30 GALLONS	EXPT2	EXPT2	EXPT2	EXPT2			
40 GALLONS	EXPT2	EXPT2	EXPT2	EXPT2			
50 GALLONS	EXPT2	EXPT2	EXPT2	EXPT4			
60 GALLONS	EXPT2	EXPT2	EXPT2	EXPT4			
80 GALLONS	EXPT2	EXPT4	EXPT4	EXPT4			
100 GALLONS	EXPT4	EXPT4	EXPT4	NA			
120 GALLONS	EXPT4	EXPT4	EXPT4	NA			
150 GALLONS	EXPT4	EXPT4	NA	NA			
175 GALLONS	EXPT4	NA	NA	NA			

Sizing based on water heater recovery from 40F, water supply pressure of 60 PSIG, and relief valve set at 150 PSIG. Adjust tank precharge to equal incoming water pressure.

#### All Combinations Of Fittings Are Available All Gas Connectors Come With Default M X F Fittings

SGC120DA172	SS GAS FLEX 1/2" DIA x 1/2" MIP x 1/2" FIP ANGLE VALVE x 72"

All Falcon gas connectors (coated and uncoated) are compliant to the following Codes and Standards:

#### **Complies with the Following Standards:**

ANSI Z21.24/CSA 6.10-2006, Connectors for Gas Appliances

ANSI Z21.24a/CSA 6.10a-2009, Addenda A - Connectors for Gas Appliances

ANSI Z21.75/CSA 6.27-2006, Outdoor Gas Appliances/Mfd Homes

ANSI Z21.75a/CSA 6.27a-2009, Addenda A - Outdoor Gas Appliances/ Mfd Homes

#### Complies with the Following Codes:

2015, 2012 and 2009 International Gas Code® (IFGC)

2015, 2012 and 2009 International Residential Code® (IRC)

2015, 2012 and 2009 Uniform Plumbing Code® (UPC)\*

\*Copyrighted Publication of The Internation al Association of Plumbing and Mechanical Officials

## Top 25 Reasons to Use Flexible Corrugated Stainless Steel Water & Gas Connectors made by Falcon Stainless

Here are the Top 25 reasons to use Falcon Stainless' flexible CSS connectors:

- 1. Lifetime Warranty
- 2. Falcon introduced CSS to the US Market way back in the early 1980's!
- 3. Large Variety of configurations designed to save you time and money.
- 4. Largest inner diameter for Highest GPM/BTU in the industry.
- 5. <sup>3</sup>/<sub>4</sub>" Models Flow approximately 134% More than Braided Connectors.
- 6. Will not discolor, corrode or rust!
- 7. No galvanic effect with CSS so No dielectric union needed!
- 8. Water Connectors available in sizes from 3/8" To 2" I.D in various lengths & configurations.
- 9. Gas Connectors available in sizes from 3/8" to 1" OD in various lengths & fittings.
- 10. Burst pressure rated up to 2200 psi on water connectors.
- 11. Stronger and way more flexible than copper water connectors.
- 12. Exemplary Customer Service.
- 13. Daily FedEx Shipping M-F for orders received by Falcon before 2:30 pm.
- 14. Innovative Proprietary Designs.
- 15. High Temp NSF listed washer material resists Chlorine, Chloramine and Ozone.
- 16. Chromed Brass Nuts.
- 17. <sup>3</sup>/<sub>4</sub>" and 1" Copper Sweat with dual purpose.
- 18. Toilet connectors with no plastic parts.
- 19. Only Falcon offers John Guest<sup>™</sup> Genuine Push-To-Connect Technology in ½", <sup>3</sup>/<sub>4</sub>" and 1" configurations.
- 20. All products meet Standards and Code requirements and are listed by ICC-ES PMG compliant to: AB1953 (Low Lead Certified), ASME A112.18.6, CSA, NSF 61, UPC, IPC, IRC, IMC.
- 21. Australia and New Zealand, and are WaterMark approved to ATS 5200.489-2009
- 22. Specified by CA & TX Schools & Prisons.
- 23. Vandal Proof
- 24. For New Construction, Remodeling and Repair Markets! We are the experts!
- 25. If it's right for our house...it's right for yours!

Bathroom: faucet and toilet connectors and POU water heater connectors

Kitchen: faucet, cooktop, stove, oven/range, ice maker connectors, POU water treatment connectors

Garage: water heater and water treatment connectors

Laundry Room: dryer connectors, faucet connectors

Roof: Solar connectors and coils

Living Room/Family Room: Fireplace connectors

## Warranty

Falcon Stainless, Inc. warrants its products against manufacturers defect for the lifetime of the installation. Should a Falcon Stainless steel corrugated water or gas connector be defective, (i.e., tube failure, pinhole, cracks, or bursts) it must be returned to Falcon Stainless, Inc., directly, and it shall be replaced at no charge.

Ultimate responsibility for compliance with local codes rests entirely with purchaser and/or installer. Company assumes no responsibility for failure due to improper installation. Company assumes no responsibility for damages caused by errors in installation. Falcon Stainless, Inc. does not warranty the installation or the installer. Under no circumstances will Falcon Stainless, Inc. be liable for mold remediation, labor or consequential damages to property, real or personal.

This Warranty covers use in exposed and readily accessible locations, and does not cover direct chemical or solvent contact, misuse or abuse of product.

Falcon Stainless will not be responsible for damage to washers caused by sharp or irregular mating surfaces which may cut into and damage the washer and compromising the seal of water connectors.
