Description 60A 240V CLASS R FUSE CONVRSION KIT

UPC No 783164160956

Products > Switches & Disconnects > Disconnect & Safety Switches > Safety Switches >

Accessories

Safety Switches Accessories. Spec-Setter™ Safety Switches. Class R Fusing Kit—Field Installable Type TH, UL Listed. When specifications permit only Class R fuses to be used, these kits may be installed in the safety switch to deter fuses other than Class R from being installed. Kits for 30 or 60A switches incorporate replacement fuse clips. Kits for 100-600A switches incorporate rejection pins that assemble to the standard fuse clips.
