

RTC

Recessed LED center basket

Metalux

RTC Recessed LED center basket

The RTC lensed troffer series provides performance, reliability and flexibility with a housing optimized for shallow plenums. Developed with Cooper Lighting Solutions' latest generation of solid-state components and electronic driver technologies, these center illuminated troffers provide numerous options for color, lumens, controls and sensing. Designed to be compatible with popular ceiling systems, the RTC troffers are ideal for both new construction and remodel/ replacement of fluorescent troffers in commercial office spaces, schools, healthcare facilities, and retail merchandising areas.

Low profile perfect for renovation or new construction

Contractor friendly, quick and easy install

No maintenance required

Center basket appeal, prismatic troffer value

Buy with confidence - proven Metalux quality

Durable construction

Uniform body, strong cold rolled steel	
Impact-resistant polycarbonate lens	
Fast install with easy wiring access and plug-in wire connectors	
T-grid clips included	
Standard access plate with trade-size knockouts and large wiring compartment	

Architectural appeal

Advanced optical control with linear prisms for uniform light distribution	
Matte white post-fabrication painted from corner to corner	
Selective binning to ensure color consistency	
83 CRI with 3500K and 4000K	

Features and benefits

Low profile
Perfect for shallow/restricted plenums

Lutron and DALI options with UL 924 Emergency options
Flexibility to meet building codes and safety requirements

Accessories

Grid Retention
Optional EQ clip (RTCEQ)
Code and specification

	Integrated sensors factory wired and tested
	Simplicity - The lighting plan is the controls plan
	WaveLinx Wireless Connected Lighting System Enlighted Wireless Connected Lighting System

Connected Lighting Systems

WaveLinx

Wireless Connected Lighting System

Adjustable occupancy sensing and daylight dimming control

Simple, secure wireless connectivity with out-of-the-box code compliance

Easy to use mobile application allows for fast set up and unlocks advanced control capabilities

Detection pattern covers standard ceiling applications up to 12 feet

Enlighted

Wireless Connected Lighting System

Configurable dimming, occupancy, light, temperature and power use sensing

Enterprise-class wireless networking with fully addressable settings

Powerful software for energy management and Internet of Things (IoT) data capture and analytics

Low bay detection pattern covers low- and high-ceiling applications up to 20 feet

Performance

High lumen options enable use in high ceilings
True replacement two and three lamp troffers with T8, T5 or Biax lamps
Up to 60% energy savings
System lasts over 25 years with TM21 rating of L75, 60,000 hours
Five year warranty
