## Material Safety Data Sheet

May be used to comply with OSHA'S Hazard Communication Standard, 29 CFR 1910.1200. Standard must be consulted for specific requirements.

## U.S. Department of Labor

Occupational Safety and health Administration (Non-Mandatory Form) Form Approved OMB No. 1218-0072

Identity (As Used on Label and List)	Note: Blank Spaces are not permitted. If any item is not applicable, or no				
Anaconda Type FOOD GRADE 3/4" White AEI PIN 35520 Weights per ft	information is available, the space must be marked to indicate that.				
Section I					
Manufacturer's Name	Emergency Telephone Number				
ANAMET Electrical, Inc.	CHEMTREC 800-424-9300				
Address (Number, Street, City, State, and ZIP Code)	Telephone Number for Information				
P.O. Box 39	217-234-8844				
	Date Prepared				
1000 Broadway Avenue East	February 21, 2012				
	Signature of Preparer (optional)				
Mattoon, Illinois 61938					

Hazardous Components (Specific Chemical Identity; Common Name(s)) CAS Number		OSHA PEL	ACGIH TLV	Other Info	%	
		(mg/m <sup>3</sup> )	(mg/m <sup>3</sup> )	Weight grams/ft.	Weight

## Section VII ---- Precautions for Safe Handling and Use

Steps to be taken in case Material is Released or Spilled Special Precautions: Use good housekeeping practices to prevent accumulation of dust and to keep airborne dust to a minimum.

Waste Disposal Method Do not incinerate. Dust, etc. - follow federal, state, and local regulations regarding disposal. Precautions to Be Taken in Handling and Storing; Not to be stored near open flame. Not to be stored in areas where the temperature exceeds 150°F. Other Precautions; None during normal use Section VIII ---- Control Measures Respiratory Protection (Specify Type) Approved dust/mist/fume respirator should be used during welding or burning if OSHA PEL or TLV is exceeded. Ventilation Local Exhaust SPECIAL As needed to remove fumes None Mechanical (General) Other As needed to remove fumes and/or dust None Eye Protection; Protective Gloves; When welding or burning. Safety glasses should always be worn when grinding or cutting; Other Protective Clothing or Equipment; As required Work/Hygienic Practices; Normal safety and hygiene practices. Section IX ---- Additional Information This product has been determined to be RoHS and REACH compliant from current information available. Disclaimer:

The information in this MSDS was obtained from sources which we believe are reliable. However, the information is provided without any representation or warranty, expressed or implied regarding the accuracy or correctness.

The conditions or methods of handling, storage, use and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. Disposal; this product may be recycled as separate components.
