

TOPAZ ELECTRIC WARRANTY

TOPAZ ELECTRIC utilizes a double check inspection system in order to minimize the possibility of defective goods leaving our facility. TOPAZ products are warranted against defects in workmanship and materials at the time of shipment. TOPAZ will replace free of charge any part it determines to be defective in material or workmanship provided that:

1. A claim is made within one year after receiving shipment.
2. The part has not been physically damaged or otherwise abused.

There are no express or implied warranties of merchantability or fitness for a particular purpose, and any such warranties are specifically disclaimed. No other liabilities are included, such as the cost of removal and replacement of defective parts, labor costs, loss of anticipated profits, claims of buyer's customers, or consequential damages of any kind. The limited warranty contained in the preceding paragraph is the sole and only warranty offered by TOPAZ.

Some states do not allow limitations as to how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions may not apply to you.

Although this warranty gives you specific legal rights, you may also have other rights that vary from state to state.
