

Low Profile IN-AND-OUT™ Covers for New or Existing Construction

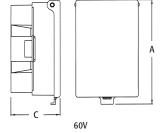

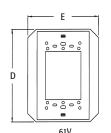

Low profile when not in use and a deeper, weatherproof-in-use extra-duty cover when cord is plugged in. Non-metallic cover and base. Comes in clear or textured/ paintable white. UV rated plastic for long outdoor life.

FEATURES AND BENEFITS

- Low profile when not in use—weatherproof-while-in-use
- IN position provides a sealed box to keep bugs out
- Extends quickly and easily into the OUT position to accommodate a plug
- Fits over all boxes or openings in new or existing projects
- The 61 Series has an installed, oversized base for large openings or a 3.5" round outlet box
- Installed gaskets
- Install option: Cover is removable for easier device installation
- Vertical and horizontal styles
