AIR DISTRIBUTION SPECIALISTS
SINCE 1934

www.dundasjafine.com

A RICH HISTORY
IN AIR VENTILATION

Dundas Jafine is a renowned manufacturer of air distribution products. For 80 years now we have been bringing the finest quality air movement products to the marketplace and developing the most dynamic packaging and POP in the industry.

The driving force behind any successful company is a vision. A sense of corporate purpose that trickles down through all areas of the organization. For over 80 years everyone at Dundas Jafine has helped develop and share in such a vision.

From owners, to sales and marketing, all the way through to shipping, there is a commitment to do whatever it takes to build on our industry leadership position in order to satisfy the needs of our customers.

A COMMITMENT TO QUALITY

Dedicated to continuous improvement, Dundas Jafine's quality is reflected in the materials used in our products, the excellence of our manufacturing processes and the most dynamic eye catching ventilation packaging in the industry.

A COMMITMENT TO SERVICE

Dundas Jafine puts the customer first, satisfying demands, listening to concerns and acting upon requests.

A COMMITMENT TO THE FUTURE

Supporting our customers by developing new and innovative products, competitive pricing, strong promotional programs that reflect the ever-changing marketplace and "Do It Right The First Time" order processing is Dundas Jafine's promise of yesterday, today and tomorrow.

EXHAUST HOODS

NUT DRIVER READY!

- Wide mouth design provides maximum airflow
- Removable pest screen for easy cleaning of lint and debris
- Snap on aluminum pipe to cap assembly eliminates the need for lint trapping staples
- UV resistant plastic prevents discoloration
- Molded edge helps maintain a clean caulking application
