RIIFO

COMPANY
OVERVIEW

1

About RIIFO

RIIFO is a wholly owned subsidiary of the Rifeng Enterprise Group Co., Ltd. Established in 1996, Rifeng is the technology pioneer and leading enterprise for the research and development, production, promotion and application of plastic piping systems for the plumbing and heating markets worldwide.

RIIFO currently provides a range of products including potable PEX-B tubing, barrier PEX tubing, fittings, manifolds, tools, and accessories. Today, RIIFO utilizes over 12 million sq. ft. of ISO9001 manufacturing and testing facilities to produce our industry leading products. RIIFO's headquarters currently occupies over 50,000 square feet of warehouse space and growing.

With over 20 years of innovative industry experience and manufacturing history, RIIFO's success is driven by a strong focus to provide integrated system solutions which are both superiorly sustainable and highly cost-effective. RIIFO stands as a global leader in the plastics plumbing and heating solutions industry.

RIIFO PEX-B Tubing

RIIFO PEX-B tubing is made of cross-linked polyethylene, utilizing the production method of silane cross-linking that provides superior chemical and mechanical performance. RIIFO PEX-B tubing is ideal for supply of potable water and meets the standard of CSA B137.5, ASTM E84, ASTM 876 and ASTM 877.

RIIFO

Terms and Conditions

The following standard Terms and Conditions apply to all sales of products by RIIFO Inc unless otherwise modified in Order Confirmation or Delivery Note.

Any contrary terms in purchase orders or purchaser standard terms and conditions are rejected and acceptance of the order by RIIFO Inc is conditioned upon these terms and conditions or as set out specifically in the RIIFO order confirmation.

Terms of Payment: Terms are net 30 days. Payable in U.S. or Canadian dollars depending on point of delivery.

Price Changes: All published prices are subject to change. Reasonable notice (normally 30 days or more) of an effective date for those changes, but reserves the right, under unusual circumstances, to give shorter notice.

Sales Orders: Purchase orders submitted to RIIFO shall specify RIIFO part numbers as well as product description from a RIIFO catalog. All such offers to purchase are subject to Riifo North America, Inc acceptance, which shall be by order confirmation provided to the customer by RIIFO. Customer is responsible for reviewing the order confirmation and reporting any necessary changes to RIIFO Customer Service immediately. Mistakes on orders due to inaccurate or incomplete information from the customer and not changed by the customer will be the customer's responsibility and/or subject to RIIFO's return policy.

Terms of Shipment: Freight is paid by RIIFO Inc for combined orders of straight length PEX, coil PEX, and fittings at \$5000 net.

Freight is paid by RIIFO Inc for orders on palletted palletted products, which include coil PEX, fittings and/or a combination of both, at \$2500 net.

Excess freight charges resulting from special requested routing or specifying non-RIIFO Inc designated common carriers will be billed to the customer.

Restrictions: Orders from U.S. customers with a "Ship to" Canada location will not be accepted and U.S. customers are not authorized to sell product to Canada.

Freight Delivery and Risk of Loss in Transit: All prices are FOB shipment point.

Returns: All returns are subject to RIIFO's return policy. No material may be returned without our written permission and return material authorization (RMA) number. Any items with a purchase date older than one year will not be allowed for return. We will accept cataloged and resalable items only. No returns will be allowed for broken bags or bundles, items outside of original packaging, discontinued, damaged, or on-cataloged merchandise. Any material which is authorized to be returned will be subject to a minimum twenty-five percent (25%) restocking fee.

RIIFO PIPING SYSTEMS LIMITED WARRANTY

Subject to the conditions and limitations of this Limited Warranty, Riifo North America Inc. ("RIIFO"), warrants to the property owner ("Owner") that the components in its RIIFO Piping Systems as described below (the "Products"), when properly installed by licensed plumbers in potable water and radiant heating systems and subject to normal conditions of use, shall be free from failure caused by manufacturing defects for the respective periods set forth below, each of which periods shall commence on the date of original purchase of the Product (whether or not by Owner):

1) **RIIFO PEX-B Tubing.** Cross-linked polyethylene tubing with or without oxygen barrier installed and used in compliance with ASTM F876/877 shall be warranted for a period of: (a) 25 years from the date of purchase if installed with RIIFO fittings or (b) 10 years from the date of purchase if installed with non-RIIFO fittings.

2) **RIIFO PEX-AL-PEX Tubing.** Cross-linked polyethylene-Aluminum-Cross-linked polyethylene tubing shall be warranted for a period of: (a) 25 years from the date of purchase if installed and used in compliance with ASTM F1281 or (b) 10 years from the date of purchase if installed with non-RIIFO fittings in compliance with ASTM F876/877.

3) **RIIFO Fittings.** RIIFO crimp fittings (PF5 series) used in compliance with ASTM F877 shall be warranted for period of 10 years from the date of purchase; Press fittings (F5 series) used in compliance with ASTM F1281 shall be warranted for a period of 10 years from the date of purchase; Compression fittings (F1 series) used in compliance with ASTM F1281 shall be warranted for a period of 2 years from the date of purchase.

4) **RIIFO Valves and Manifolds.** RIIFO valves and manifolds shall be warranted for a period of 5 years from the date of purchase.

In the event that a RIIFO Product fails during the applicable warranty period due to a manufacturing defect as determined by RIIFO and all conditions for coverage under his Limited Warranty are met, the Owner shall be entitled to the following as his or her exclusive remedy: (i) at RIIFO's sole election, either (a) the replacement of the same type, size and like quantity of non-defective Product at the original point of delivery, at no cost to Owner or (b) credits, offsets, refunds or a combination thereof, for the purchase price of the defective Product; and (ii) if the Product in question is covered by either the 10-year or 25-year limited warranty and the failure occurred during the first ten (10) years of such warranty period and was the direct cause of a leak at the Owner's property, RIIFO will reimburse the Owner for all reasonable and necessary costs of repair or replacement for physical damage to the property, including drywall, flooring and painting costs, as well as damages to personal property, resulting from the failure or leak.

Installation. This Limited Warranty applies only if the applicable Product is configured and installed by a licensed professional plumbing contractor in accordance with RIIFO's instructions, good plumbing practices, and applicable code requirements and industry standards. FAILURE TO INSTALL THE PRODUCTS IN COMPLIANCE WITH THESE REQUIREMENTS WILL VOID THIS WARRANTY AND MAY RESULT IN SEVERE WATER DAMAGE. RIIFO DOES NOT GUARANTEE OR IN ANY WAY WARRANT THE INSTALLATION OF ITS PRODUCTS.

Exclusions From Coverage: This Limited Warranty excludes defects or failures caused after shipment of the Product by: (i) components not manufactured or sold by RIIFO; (ii) improper installation (as set forth above); (iii) use in improper applications or conditions or in conjunction with improper materials (including, without limitation, improper lubricants, pastes, solvents or sealants); (iv) exposure to damaging physical or chemical conditions, including, but not limited to, chemically corrosive or aggressive water conditions, abnormal operating conditions, accident, abuse, and misuse; (v) freezing or overheating of liquids within the Product, or unusual pressure surges or pulsation; (vi) vibration; (vii) exposure to temperatures and/or pressures exceeding the ranges for the Product as specified in RIIFO's design manuals and installation guides; (viii) exposure to ultraviolet lights or other high-energy radiation; (ix) failure to adhere to RIIFO instructions and/or specifications concerning the proper handling, installation, testing and use of the Product; (x) failure to adhere to applicable standards set forth by local laws, codes, or regulations and the applicable industry standards; or (xi) any other improper activities not listed above or damage caused by the fault or negligence of anyone other than RIIFO.

DISCLAIMER OF OTHER WARRANTIES: THIS LIMITED WARRANTY IS THE ONLY WARRANTY APPLICABLE TO THE PRODUCTS. THERE ARE NO OTHER WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ALL SUCH WARRANTIES ARE SPECIFICALLY DISCLAIMED AND RIIFO SHALL NOT BE LIABLE IN THIS RESPECT NOTWITHSTANDING ITS ACTUAL KNOWLEDGE OF THE PRODUCT'S INTENDED USE OR ANY REPRESENTATIONS THAT MAY HAVE BEEN MADE BY RIIFO CONCERNING THE DESIGN, MANUFACTURE, SALE, USE, INSTALLATION OR PROVISION OF THE PRODUCTS. NO STATEMENT, CONDUCT OR DESCRIPTION BY RIIFO OR ITS REPRESENTATIVES, IN ADDITION TO OR BEYOND THIS LIMITED WARRANTY, SHALL CONSTITUTE A WARRANTY.

SOLE REMEDY/LIMITATION OF LIABILITY: THE SOLE AND EXCLUSIVE REMEDY FOR BREACH OF THIS LIMITED WARRANTY AND THE SOLE AND EXCLUSIVE OBLIGATION OF RIIFO WITH RESPECT TO ANY CLAIMS FOR BREACH OF THIS LIMITED WARRANTY, SHALL BE AS SET FORTH ABOVE. IN NO EVENT SHALL RIIFO BE LIABLE FOR LOST PROFITS, LOSS OF GOODWILL, LOSS OF BUSINESS OPPORTUNITIES, DAMAGE TO REPUTATION, SPECIAL DAMAGES, INDIRECT DAMAGES, DELAY DAMAGES, PUNITIVE DAMAGES, EXEMPLARY DAMAGES, CONSEQUENTIAL DAMAGES OR INCIDENTAL DAMAGES.

Warranty Claim Process. Any warranty claim by Owner regarding an alleged defective Product shall be made in writing to RIIFO sent to the address below, postmarked within the applicable warranty period and no later than ten (10) days after the date the defect is discovered, or in the exercise of ordinary care should have been discovered. Such notification should be sent to:

RIIFO Inc.
Attention: Warranty Service
1650 Horizon Parkway N.E.
Buford, GA 30518

and must include a description of the Product (with model number, if available), date of purchase and/or date of installation (with proof of purchase, if available), and a description of alleged defect. If the Owner cannot determine the date of purchase, RIIFO will deem the production date to be the date of purchase for purposes of this Limited Warranty. Owner shall keep all Products alleged to be defective and, at RIIFO's request and expense, ship the Product(s) to RIIFO for inspection. In the event Owner is seeking the reimbursement of property damages as set forth above, Owner must provide detailed documentation of the claimed damages, including photographs, estimates, and invoices. RIIFO shall also have the right, but not the obligation, to inspect the site of installation/damage. Upon receipt of a complete warranty claim, RIIFO will perform an investigation to determine if a manufacturing defect is present. If RIIFO determines warranty coverage applies, it will promptly notify Owner and provide the remedy set forth in this Limited Warranty. No action by RIIFO under this warranty shall be construed as an admission of liability.

Transferability. This Limited Warranty shall apply for the full applicable warranty period with respect to the original Owner of the real property at which the Product is installed and to any subsequent owner(s) of such property, provided such ownership transfer(s) occur within 10 years of the Product purchase date. Any change in ownership of the property after such 10-year period will void any remaining warranty coverage.
